

WIC PROGRAM INFORMATION

The State Agency is required to provide information on the importance and benefits of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC), and WIC income eligibility guidelines to all participating institutions.

Each institution is required to provide this information to family day care homes, sponsored child care centers, and the parents of enrolled children. You are required to do this annually.

Please refer to the Indiana WIC Program website at <http://www.in.gov/isdh/programs/wic/wicone.htm> for detailed information on requirements and services.

A WIC information sheet is available in English (<http://www.fns.usda.gov/wic/WIC-Fact-Sheet.pdf>) and Spanish (<http://www.fns.usda.gov/wic/sp-WIC-Fact-Sheet.pdf>).
